

NTT GLOBAL FORUM 2017

Transform. Transcend.

Innovation for the Enterprise
Transforming your business to transcend your expectations

Thursday 6 July 2017 | McLaren Thought Leadership Centre, Woking

Invitation

This year, the NTT Global Forum will have an **exclusive Japanese language stream** and will offer a unique range of experiences thanks to our recent technology partnership with McLaren. Guests will hear first-hand from **Testuya Shoji**, President & CEO of NTT Communications, **Craig Charlton**, CIO, McLaren Technology Group **Monte Davis**, Managing Director of NTT Europe and **Koji Tsuruoka**, Ambassador Extraordinary and Plenipotentiary, Embassy of Japan in the United Kingdom.

Guests will also take part in an **exclusive tour of the McLaren Technology Centre**, only available to partners.

The Global Forum will provide a rare opportunity for guests to **network with leaders from a diverse range of industries and countries** during an extended lunch and drinks reception.

McLaren Technology Centre

See McLaren's heritage with historic, championship winning race cars from F1, Indy 500 and Le Mans 24hrs.

Go behind the scenes within working Formula 1 facilities including.

- Race bays
- Pit stop practice area
- Carbon fibre & 3D printing shop
- Overview of McLaren's historical collection of trophies

Speakers

Moderated by: **Georgie Barrat** Tech Journalist and UK TV Presenter
